Introduction

Join us at the inaugural FelineForum, proudly cohosted by Whiskers Cat Lounge and Just Cats Rescue, as we pioneer a new era of feline welfare in Ohio. While Northeast Ohio boasts a multitude of dedicated rescues and animal welfare organizations, the lack of comprehensive information sharing has left gaps in knowledge and resources. Our mission is to bridge these divides and empower both the public and animal welfare professionals with the tools and insights needed to save more feline lives.

As a sponsor, you play a pivotal role in making this vision a reality. By supporting FelineForum, you're not just investing in an event; you're investing in the welfare of our feline friends and the communities they enrich. Your contribution enables us to connect the public with vital information on animal welfare and engagement opportunities, while also equipping professionals and volunteers with national best practices to enhance their lifesaving efforts.

Together, let's pave the way for a brighter future for Ohio's feline population. Join us as a sponsor of FelineForum and be part of the solution.
